

## Manufacturing For The **WORLD**

ESTD 1997

# Board Of Directors

**ZAHIR UDDIN HAIDER**  
Chairman  
**Cosmo Group**

## Our mission is simple yet ambitious:

to be a driving force in the garments accessories industry by delivering quality, reliability, and innovation. From humble beginnings, we have grown into a trusted name, supporting the readymade garment sector with world-class accessories that meet global standards.

Every product we manufacture—from labels and tags to packaging and trims—is a reflection of our commitment to excellence and customer satisfaction.

# MESSAGE FROM THE **MANAGING DIRECTOR**

**we believe that true excellence is achieved through passion, dedication, and a commitment to continuous innovation. Since our inception, we have aimed not just to meet the needs of our clients, but to exceed their expectations with every product we deliver.**

Our journey has been shaped by a deep-rooted belief in quality, sustainability, and customer-centric service. Today, as we continue to expand our footprint across global markets, we remain true to our core values delivering solutions that are not only reliable but also responsible.

**Nadia Haider**

Managing Director  
Cosmo Group

# MESSAGE FROM THE **DEPUTY MANAGING DIRECTOR**

“

At COSMO Group, we believe that the strength of a product lies in the detail—and in the garments industry, accessories are those critical details that define quality, branding, and functionality. As Deputy Managing Director, I take pride in our role as a reliable partner to the RMG sector, supplying a wide range of high-quality accessories that meet the ever-evolving demands of global fashion and manufacturing standards.

We also understand the importance of sustainability and responsible production.

As part of our future roadmap, COSMO Group is committed to implementing greener processes and contributing to a more ethical supply chain for the apparel industry.

**Md. Naeem Haider**

Deputy Managing Director  
Cosmo Group

# WHAT? DEFINES US

## Mission

Our mission is to empower the apparel industry with world-class accessories and packaging solutions.

We are committed to delivering innovation, quality, and sustainability through every product we create, helping our clients enhance their brand value and global competitiveness.

## Vision

To be a global leader in garments accessories and packaging manufacturing — setting new standards of excellence, eco-friendliness, and customer satisfaction. We envision a future where Cosmo Group is synonymous with trust, innovation, and sustainable growth across the industry.

## Value

### Quality First:

We never compromise on the standards of our products and services.

### Customer-Centricity:

We prioritize the needs and success of our clients above all.

### Innovation:

We constantly explore new ideas, technologies, and processes to stay ahead.

# NO Waste Service

we believe that sustainability is not just a trend — it's a responsibility. As global environmental challenges continue to rise, we are committed to doing our part by adopting and promoting zero-waste principles in every aspect of our production and packaging.

The zero-waste movement envisions a world where resources are used efficiently, waste is minimized, and products are designed to be reused, recycled, or composted.

sustainability

## Clean City Green City

Cosmo Group integrates these values into our product development and operations. From eco-friendly inks and recyclable packaging to biodegradable poly bags and FSC-certified paper goods, our portfolio is designed to minimize environmental impact. We continually invest in cleaner production technologies, responsible sourcing, and waste reduction practices across our facilities.

Our customers, partners, and team members are all part of this mission. By choosing Cosmo, you choose a supply chain partner who understands the importance of circular design, low-impact materials, and responsible disposal. Together, we can shape a future where waste is no longer a burden — but a
